March 18, 2020

In response to the 2019 Novel coronavirus threat, Darlington County government and facilities will have modified operational procedures and processes. The intent of these changes include: meeting the needs of the citizens and visitors of Darlington County, protecting the health and safety of the citizens and visitors of Darlington County, protecting the health and safety of the employees of Darlington County, and protecting the ability of Darlington County to maintain continuity of government operations and services.

We ask that you have patience and understanding during this process. It is our desire to continue to provide services in a manner that reduces the risk to the public, the risk to our employees, and promotes and protects our ability to continue services as this situation evolves. Below you will find a list of facilities, departments and/or agencies of Darlington County Government, as well as state or federal agencies or services located inside Darlington County buildings. The listing will provide information about current contact information and planned operational processes. Please be aware this information may change rapidly. Darlington County will make every effort to keep current information posted and available to the public.

During this modified operational period, Darlington County has setup a public information line to address questions and concerns from citizens about these operation changes. The number is 843-398-4469. It will operate Monday - Friday from 8:30 a.m. until 5:00 p.m. Media inquiries should be directed to Molly Odom at (843) 398-4450 ext. 1102.
